 Notice #: CP161
 Notice Date: 01/09/2023
 Tax Period: 2021

Request for first-time penalty abatement – Failure to file penalty of \$1964.47

To Whom It May Concern:

We respectfully request that the failure-to-file penalty be abated based on the IRS's First Time Abate administrative waiver procedures, as discussed in IRM 20.1.1.3.6.1, First Time Abate (FTA). According to IRM 20.1.1.3.6, the IRS's Reasonable Cause Assistant provides an option for penalty relief for failure-to-file, failure-to-pay, and failure-to-deposit penalties if the taxpayer meets certain criteria. The taxpayer meets all of the first-time penalty abatement criteria as stated below:

- Filing compliance: Must have filed (or filed a valid extension for) all required returns and can't have an outstanding request for a return from the IRS.
- Payment compliance: Must have paid, or arranged to pay all tax due (can be in an installment agreement as long as the payments are current).
- Clean penalty history: Has no prior penalties (except an estimated tax penalty) for the preceding three years.

We understand that this type of penalty abatement is a one-time consideration. If you have any questions, please call me at (212) 588-9770.

Thank you for your consideration.

Sincerely,
Eric Wempfen
Tax Director
